

M1

Modular system for automatic meal dispensing

M1 combines a touchscreen terminal with up to four chilled or frozen dispensing modules. Each module has 32 independent compartments and can be configured to suit the project.

A SOLUTION THAT GROWS WITH YOUR SERVICE

- **MODULAR**

One terminal can manage up to four dispensers.

- **FLEXIBLE**

Chilled or frozen modules, also in combination.

- **SIMPLE**

Product selection and payment on the touchscreen.
